List of Qualified Independent Educational Evaluators Speech Qualifications: CCP-SLP

This list of individuals and agencies represents evaluators who meet the district's criteria for an IEE. The evaluators are listed alphabetically, not in order of preference. The list is not exhaustive. If you select someone other than the professionals included on this list, the criteria under which an IEE is conducted or obtained (including the location and cost of the evaluation and the qualifications of the evaluator) must be the same as the criteria the school district uses when it conducts the same kind of evaluation.
